## **Report on NammaBhoomi:**

On 26<sup>th</sup> february , the co-ordinator of NammaBhoomi , T. Srinivas Ganiga and Kripa M M visited our college **Moodalkatte Institute of Technology**.

- NammaBhoomi's vision is mainly concerning the working children and empowering them.
- Various topics were discussed in the session regarding children's rights . It could be right to education, eradicating child labor , right to vote, etc.
- Child care and education is of utmost importance .
- It is a complete package where they run a school, 'NammaNelandaVidhyapeeta ' near Kundapura town . The campus has residential accomodation – ' NammaHalli ' for nearly 200 children , along with teachers and staff stay . All the basis needs for a growing child is taken care of , which includes playground , computer lab library , auditorium , medical stuff , etc.
- It is a safe space where barriers of caste , religion , gender are broken down and they stay together . This prepared them for a better society and become better citizens.
- The co-ordinarors mainly spoke about how they get chidren from different places, encourages them and their parents to send the children to school. Identify the working children in and around the city and educate them about school and its benefits.
- The organization receives funds from various places which helps them aid to children's needs .
- They conducted debate among us on various topics like ' Do children actually have the right to take decions ' , and ' Is child labor good or bad ? ' , It mainly depends on different perspective like financial situation of the child , home environment , are they studying and working together ,etc.
- They showed us a complete video on the campus working and management .
- The purpose of the visit was to educate us and volunteer for this organization to help kids by sharing the knowlwdge , teaching new skills , interacting with them.

## **Conclusion :**

The visit helped us understand different issues faces by children , their rights and how this organization is helping them by various methods . This has motivated me to educate children about the orgaization and direct them towards proper direction . Also to invest in the children by volunteering and sharing knowlwdge as much as possible .

Thank you
