I acknowledge that Kyndryl would suffer irreparable harm if I fail to comply with Paragraph 2(a) or (b), and that Kyndryl would be entitled to any appropriate relief, including money damages, equitable relief and attorneys' fees.

3. I will not disclose to Kyndryl, use in its business, or cause it to use, any information or material which is confidential to any third party unless authorized by Kyndryl. In addition, I will not incorporate, into any product used and/or sold by Kyndryl, any copyrighted materials or patented inventions of any third party, unless authorized by Kyndryl pursuant to Paragraph 5.

4. I will comply, and do all things necessary for Kyndryl to comply, with (a) the laws and regulations of all governments under which Kyndryl does business, (b) the provisions of contracts between any such government or its contractors and Kyndryl that relate to intellectual property or to the safeguarding of information, and (c) Kyndryl's corporate directives, including, without limitation, policies and information technology security standards issued from time to time as well as the Kyndryl Business Conduct Guidelines as amended from time to time.

5. I hereby assign to Kyndryl my entire right, title, and interest (including all worldwide intellectual property rights), in perpetuity, in any idea, concept, technique, invention, design (whether the design is ornamental or otherwise), computer programs and related documentation, other works of authorship, mask works, improvements, techniques, methods, formulas, processes, compositions of matter, compilations, discoveries, and data, etc. (all hereinafter called "Developments"), hereafter made, conceived, written, developed, improved, reduced to practice or otherwise created solely or jointly by me, whether or not such Developments are patentable, or subject to copyright, trade secret, or trademark protection or susceptible to any other form of protection which: (a) relate to the actual or anticipated business or research or development of Kyndryl; or (b) are suggested by or result from any task assigned to me or work performed by me for or on behalf of Kyndryl. If, by operation of law such right, title, and interest in Developments vest in Kyndryl upon creation, I acknowledge that such right, title, and interest belong to Kyndryl. Also, I hereby assign to Kyndryl my entire right, title and interest in any such Developments that were or are suggested by or a result of any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest to the extent that any such right, title and interest is not already owned by said entity. In the case of any "other works of authorship", such assignment or ownership shall be limited to those works of authorship which meet both conditions (a) and (b) above.

I acknowledge that the rights, title and interest to any Developments (which is assigned to Kyndryl under this Paragraph 5) shall not be deemed to have lapsed if Kyndryl does not exercise the rights for any period and I agree to waive my rights under Section 19(4) of the (Indian) Copyright Act, 1957 and any other similar law of any jurisdiction.

If I have any rights, including without limitation, "artist's rights" or "moral rights" in the Developments that cannot be assigned, I hereby unconditionally and irrevocably grant to Kyndryl an exclusive, worldwide, fully paid and royalty free, irrevocable, perpetual license with rights to sublicense through multiple tiers of sublicensees, to: (i) use, reproduce, distribute, create derivative works of, publicly perform and publicly display the Developments in any medium or format, whether now known or later developed; (ii) use, make, have made, sell, offer to sell, import and otherwise exploit any product or service based on, embodying, incorporating, or derived from, the Developments, and (iii) exercise any and all other present or future rights in the Developments. In the event that I have any rights in the Developments that cannot be assigned or licensed, I unconditionally and irrevocably waive the enforcement of such rights, and all claims and causes of action of any kind against Kyndryl or its customers.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code, which provides:

(a) Any provision in an employment agreement which provides that an employee shall assign, or offer to assign, any of his or her rights in an invention to his or her employer shall not apply to an invention that the employee developed entirely on his or her own time without using the employer's equipment, supplies, facilities, or trade secret information except for those inventions that either:

(1) Relate at the time of conception or reduction to practice of the invention to the employer's business, or actual or demonstrably anticipated research or development of the employer; or

(2) Result from any work performed by the employee for the employer.

(b) To the extent a provision in an employment agreement purports to require an employee to assign an invention otherwise excluded from being required to be assigned under subdivision (a), the provision is against the public policy of this state and is unenforceable.

The above provisions concerning assignment or ownership of Developments apply to Developments created during the "Period of My Employment" by Kyndryl. "Period of My Employment" means the entire duration of my employment with Kyndryl including not only hours worked at Kyndryl's facilities and working on Kyndryl's business away from the facilities but also non-working off-hours such as weekends and other time spent outside of the office and not performing Kyndryl's work (such as during parental leave, vacations, and sabbaticals).

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with Kyndryl, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to Kyndryl (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use, or cause to be used, any Excluded Developments in Kyndryl's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that Kyndryl acquired or in which Kyndryl purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my Kyndryl employment. I acknowledge and agree that if I use any of my Excluded Developments in the scope of my employment or include them in any product or service of Kyndryl, I hereby grant to Kyndryl a perpetual, irrevocable, nonexclusive, world-wide, royalty-free license to use, disclose, make, sell, copy, distribute, modify, and create works based on, perform, or display such Excluded Developments and to sublicense third parties with the same rights.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g., United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g., title of publication), the creation date of the Excluded Development, and, to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

Additional pages may be attached, as appropriate to identify other Excluded Developments, if any. Kyndryl requires you to disclose Excluded Developments in this Paragraph 5. If you wish to interest Kyndryl in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to Kyndryl.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the Kyndryl Intellectual Property Law Department; and (b) I will, on Kyndryl's request, promptly execute a specific assignment of title to Kyndryl or its designee, and do anything else reasonably necessary to enable Kyndryl or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the Kyndryl Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by Kyndryl. I also agree to promptly notify the Kyndryl Intellectual Property Law Department if, after I leave the employment of Kyndryl, I am contacted by anyone or any entity outside of Kyndryl regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. Kyndryl and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by Kyndryl and are for the benefit of Kyndryl and its subsidiaries, licensees, successors, and assigns.

8. I agree that Kyndryl, its services providers and other third parties authorized by Kyndryl will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with Kyndryl and for other legitimate business purposes, anywhere in the world. Such personal information, whether provided to Kyndryl, its service providers, or third parties directly by me or otherwise gathered, includes my name, photo, contact information, skills, compensation, performance, usage of Kyndryl assets, background check results, bank account information, and disability information.

I will not use for unauthorized purposes nor share with any unauthorized parties, either during or after my employment, any personal information about others to which I may have access during my employment at Kyndryl.

Kyndryl provides numerous opportunities for social computing through blogs, wikis, social networks, virtual worlds and other social media. I agree to comply with all Kyndryl policies and practices regarding use of social computing tools and I understand that I am personally responsible for the content I post on any social computing tools (whether on Kyndryl's internal platforms or on third party sites) and that any information I post, including any of my personal information, may be made broadly available to others, potentially inside or outside Kyndryl, who have access to these tools.

9. The term "subsidiaries," as used in this Agreement, includes any entity owned or controlled, directly or indirectly, by Kyndryl.

10. This Agreement supersedes all previous oral or written communications, representations, understandings, undertakings, or agreements relating to the subject matter hereof, except as expressly agreed otherwise by Kyndrylin writing upon my hire or transfer of employment to Kyndryl. Any waiver of a term in this Agreement and any amendment to this Agreement may only be made in a writing signed by the Senior Vice President of Human Resources for Kyndryl and myself.

11. This Agreement shall be governed by the laws of India. All disputes shall be subject to exclusive jurisdiction of courts in Bengaluru, Karnataka. In the event that any one or more of the provisions of this Agreement shall be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. Moreover, if any one or more of the provisions contained in this Agreement shall be held to be excessively broad as to duration, activity, or subject, such provisions shall be construed by limiting and reducing them so as to be enforceable to the maximum extent allowed by applicable law. Furthermore, a determination in any jurisdiction that this Agreement, in whole or in part, is invalid or unenforceable shall not in any way affect or impair the validity or enforceability of this Agreement in any other jurisdiction.

12. I recognize that any violation of my obligations described herein would cause Kyndryl to suffer irreparable harm and can result in disciplinary action, including dismissal from Kyndryl, and any other appropriate relief for Kyndryl, including money damages, equitable relief and attorneys' fees.
