- To improve our social responsibility and the impact that small acts of kindness can have on the lives of others.
- Organized with an aim spreading joy and providing support to children staying there.

Activities Conducted:

The extension activity was conducted on 20/4/2024 from 10:30am to 1pm at Krishnanugraha Children Fit Institute and Adoption Center were more than 21 students from 1st year MBA volunteered through preparation to make there visit a useful one by planning various activity which started with welcome speech made by Bhavya where she warmly welcomed the children, staff of the orphanage and Ms.Poornima R Shetty (Assistant Professor), expressing gratitude for the opportunity to spend time with them and offering words of encouragement and support. Later orphanage staff Ms. Girishma spoke few words in kannada. Along with children, volunteers led a

heartfelt prayer and started various activities which includes games like passing the ball and bomb in the city. The things provided are snacks, treats, fruits, stationary items, coffee mugs and water bottles. We also provided Himalaya baby cream powder and soap to 8months old baby girl. Then we ended the program with vote of thanks for providing us the opportunities to pay visit.

Outcome of the visit:

The visit can provide emotional support and companionship to the children and to enhance the children's social skills. We learned how to be empathized looking at the condition of the children and how to build patience level, to understand the value of relationship and to know the importance having physical strength by utilizing them in the right way.
