On our Founder's Day, we were not only celebrating the vision of our institution but also embracing the spirit of service and compassion. The Maithri event at Chaitanya Old Age Home was a resounding success, leaving a lasting impact on both the elderly residents and our students.

Activities: The day was filled with various activities designed to make the elderly residents feel special and cherished. Here are some of the highlights:

- Our students put up a delightful cultural program, including songs, dances, and skits.
- The performances were a great source of joy for the elderly residents, many of whom reminisced about their own youth and cherished memories.
- Students engaged in one-on-one and group conversations with the elderly residents. It was heartwarming to hear stories from their lives and share in their experiences.
- As a token of our love and appreciation, we distributed essential items, such as blankets, clothing, and toiletries, to the elderly residents. The smiles on their faces were priceless.

Blessings and Gratitude: One of the most touching aspects of the day was the blessings and gratitude extended by the elderly residents.
