A specialized educational institution catering to mentally and physically challenged children. This report outlines the purpose of the visit, the activities undertaken, observations, and reflections on the experience.

BRIEF PROFILE THE TRUST:

Manasa Jyothi Trust was started in 2000 with support from a local Trust. The Trust continues to be active and needs a lot of support. The school is actively managed by Shobha Madhyastha and Maartje van den Brand a Physiotherapist from The Netherlands. The school is not funded by the government but by a private Trust and does not ask the parents for any fee. Therefore, *Manasa Jyothi* provides, for disabled children without parents or with parents, who cannot or do not want to care for them, a place to live and receive education. For some children this school is their only chance in society.
