

## **Moodlakatte Institute of Technology**

## 3.4.3 Extension Activity organised through NSS/NCC

## 3.4.3. Number of extension and outreach programs conducted by the institution through NSS/NCC/Red cross/YRC etc., (including the programmes such as Swachh Bharat, AIDS awareness, Gender issues etc. and/or those organised in collaboration with industry, community and NGOs) during the last five years

The motto behind conducting extension activities in and around the campus is to ensure the social interaction of students and faculty with the outside world, which in turn helps them to know the social problems which needs the attention of technological institutions. As a student of engineering profession, they need to realize that their role is far beyond being just an employee of a engineering company. Extension programs are designed to make them aware of their role as engineer to the society.
