District Hospital Udupi Blood Bank

Udupi

Participants

Branch/ Section: 1st sem MBA Students

Preamble

The purpose of the camp was to address the critical need for blood in medical emergencies and to encourage individuals to voluntarily donate blood. This report highlights the event's objectives, activities, participation, and outcomes. Every year the programs are organized to create awareness about the health and hygiene, blood donation, first aid etc.

REPORT

On 8/12/2021, APNAN SAPNA CLUB MITK organized a Blood Donation Camp in collaboration with District hospital Udupi Blood Bank.

Objectives:

The primary objectives of the Blood Donation Camp were as follows:

1. To increase awareness about the importance of voluntary blood donation for saving lives.
2. To collect significant amount of safe and healthy blood for medical use.
3. To foster a culture of regular blood donation within the community.

Activities and participation:

The blood donation camp featured a range of activities designed to engage participants and ensure a successful donation process:

1. Registration and health screening
2. Blood donation process
3. Refreshment and rest area
4. Awareness and education

Outcomes and impacts:

The blood donation camp had several positive outcomes and impactful effects:

1. Collection of blood
2. Lives saved using collected bloods
3. Community engagements
4. Awareness among general public.

ORGANIZING COMMITTEE

Prof. Kavya

Prof. Harish

Prof. Amruthmala

Prof. Venkatesh

Prof. Rajath

Conclusion:

The event not only collected a significant amount of blood but also fostered a sense of unity and shared responsibility within the community. The impact of the camp will resonate through the lives it touches and the awareness it spreads about the power of voluntary blood donation.
