Preamble

The seminar "Importance of GATE" is aimed to enrich the student's knowledge regarding the Graduate Aptitude Test in Engineering (GATE Exam) as it sets a benchmark for these engineers. It tests the comprehensive understanding of the students in various engineering concepts. GATE is a national level examination to examine the calibre of these engineering students in their specific domains.

BRIEF PROFILE OF THE CHIEF GUEST:

Mr. Prashanth Hegde works as HOD in Civil Engineering department at MITK, earlier he has worked in industry. He has more than 8 years of experience in the Higher education field.

REPORT

A seminar on the importance of the GATE examination was held on 16/03/2023 for the 8th sem civil engineering students in the final year classroom. Seminar was organized by the department of civil engineering MIT-Kundapura, students were addressed by Mr. Prashant Hegde, HOD civil engineering department. He has briefly explained how to apply for the GATE exam, important topics and sources for the preparation, various job opportunities after clearing GATE, and various institutions offering Master's based on the GATE score.
