“Janatha Fish Meal”

Date: 17/02/2023

Organized by:

Department of MBA

Convener:

Ms. Kavya Poojary

Coordinator:

Mr. Venkatesh Shetty

Presenters :

Team Brighters

On 17th February 2023, we had been to Industrial visit at "Janatha Fish Meal" which was conducted by the Department of MBA. We left morning from college bus around 10:00am and reached at 10:30am. there we were made into two groups and was sent to the audio visual room near the main office there the introduction about the JFM, CEO, and the other management peoples, employees, the complete production process and its existence in other places of the country and the competitors and their products reach out and exports and the usage of these products in health care industry and the other informations related to the variety of fishes and place that they get from was given. And other related informations was given by the coordinator. Then we moved to the industry visit where the whole production process that happens at JFM. Before entering they gave us helmets to wear as safety measure and the instructor gave us some instructions and then we moved to the industry there the step by step process of preparing fish oil, powders Agro products and other products were shown and the various machines that are used for a particular step and the work flow was neatly explained by the incharge there. After that we were given some drinks there by the team JFM.

And we took a group photo at the end. It was almost 1:30pm and we headed our lunch at Anegudde temple Kumbashi the food was delicious. From there as a part of industrial visit for some fun time we were taken to Kodi beach for boating there we had lots of fun and enjoyed a lot after that we returned back to the college at 4:30 pm.

Conclusion

The industry visit was an beautiful opportunity we got and learnt many new things about JFM industry, production process, and the work flow. We enjoyed a lot and it was an amazing experience, we are still looking for some more visits like this in the coming days.
