PREAMBLE

Main objective of this Expert talk is to know more about Modern day Technology benefits, activities and opportunities. We believe that empowering our student through continuous learning and professional development is pivotal in nurturing a generation of skilled and visionary engineers. By the end of this program, we envision our students to be equipped with the necessary knowledge and skills to foster a vibrant academic atmosphere that prepares them to excel in the rapidly evolving engineering landscape.

REPORT

The Department of ECE in association with CSE organized an expert talk on "Understanding Modern Day Application" on 28ᵗʰ December 2022. Subramanya Padubidri, Technical Staff, Dell Technologies was invited as the resource person. During the session, Resource Person emphasized the advantages of students being associated with technology and understanding its applications He explained how the technology helps to build the personality of engineering students and orient them towards Research. He encouraged the students to take up different technology-based courses and upskill themselves. He also asked the student participate in big numbers for events like Conferences and workshops conducted under different domains.

Principal Dr. Abdul Kareem, Head of the Department Professor Balanageshwar and Head of the Department of Computer Science Professor Muralidhara B K, staff and students were present on this occasion. Professor Akshata Nayak hosted the event. The Resource Person thanked everybody involved in the Expert talk for the same.
