1. Schemes for Students

1.1 MEEE (Moodlakatte Engineering Entrance Exam)

The Moodlakatte Engineering Entrance Exam (MEEE) is a unique initiative designed to provide an opportunity for meritorious students from financially disadvantaged backgrounds to pursue their educational aspirations with minimal financial burden. Launched in the academic year 2015-16, the MEEE aims to address the educational needs of the economically weaker sections of society.

Under the MEEE, students who exhibit exceptional merit in the examination and come from financially vulnerable backgrounds are granted the chance to pursue their dreams of higher education. The initiative not only offers a free seat to the top-performing student in the exam but also provides scholarship to the next 10 students who achieve noteworthy merit scores. The Moodlakatte Bhujanga Trust generously covers the educational expenses of these deserving students.

Since its inception, the MEEE has played a pivotal role in enabling lot many students to realize their aspirations for higher education. This initiative has been particularly beneficial for those belonging to the weaker sections of society, ensuring that financial constraints do not hinder their pursuit of academic excellence. Through the support of the Moodlakatte Bhujanga Trust, the MEEE stands as a beacon of hope for students who may otherwise face barriers to accessing quality education.

1.2 Insurance

At Moodlakatte Institute of Technology, general insurance coverage is extended to all staff members and students. This initiative ensures that our dedicated faculty and administrative staff have the necessary protection and security against unforeseen events. The provided general insurance coverage encompasses a range of aspects, including general insurance, offering peace of mind and support to our valued staff members. This commitment to staff welfare reflects our dedication to creating a safe and secure work environment within the institution.
