Moodlakatte – 576 217, Kundapura Taluk, Udupi District, Karnataka

---

Title of Activity : Cyber security  
Date : 9-11-2022 & 10-11-2022  
Venue: : RNS Polytechnic College Murudeshwara  
Resource Person : Mehboob Khan (4MK19CS033)  
Mubarak M (4MK19CS036) Final Year Students of CSE Dept  
MIT Kundapura  
Report prepared by : Mr. Mehboob Khan

## **PREAMBLE**

The rapid rise of the internet and digital technologies has brought immense benefits to our lives. However, it has also opened doors to new threats – cyberattacks. As our reliance on technology grows, so does the need to be vigilant about cyber security. This report explores the concept of cyber security workshop at RNS Polytechnic College, Murudeshwar, and focusing on protecting critical infrastructure in the healthcare sector.

## REPORT

The MITK students meticulously planned and executed the workshop. They ensured the venue at RNS Polytechnic College was equipped with necessary audio-visual aids for presentations and demonstrations. The workshop was delivered in a clear, concise, and engaging manner, keeping the attention of a large audience

- **Materials:** The MITK students prepared informative handouts and presentations to supplement their explanations.
- **Workshop Moderation:** A faculty member from MITK or a designated representative from RNS Polytechnic College might have served as a moderator for the workshop, introducing the MITK students and ensuring a smooth flow of the program.

### Impact of the Workshop:

- Increased Awareness:** The workshop equipped students at RNS Polytechnic College with a foundational understanding of cyber threats and the importance of cyber security.
- Enhanced Skills:** Participants gained practical cyber security skills to protect themselves online, such as creating strong passwords and identifying phishing attempts.
- Sparking Interest:** The interactive workshop format and live demonstration might have sparked an interest in cyber security as a potential career path for some students.
- Improved College Security Posture:** By raising awareness about cyber security among its students, RNS Polytechnic College might be better equipped to identify and address potential cyber threats.

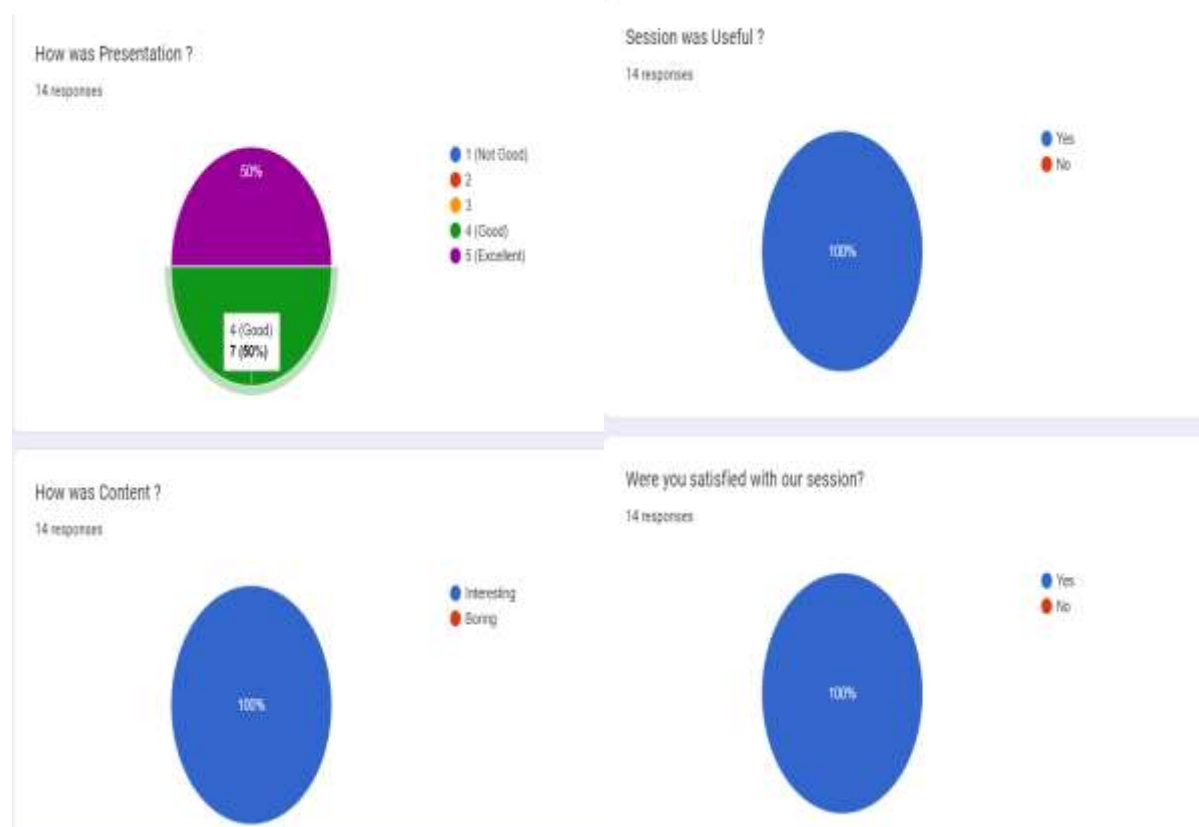

## FEEDBACK

The workshop on cyber security conducted by the MITK students at RNS Polytechnic College served as a valuable learning experience for a large audience. The interactive format, engaging demonstrations, and practical takeaways made the workshop a success. This initiative highlights the importance of collaborative efforts between educational institutions to promote cyber security awareness and empower individuals to protect themselves in the digital landscape.

## Student Reviews:

### Remarks:

14 responses

They are very good at teaching us and its very useful. I learned a lot from them

Got to know the basics of Cyber Security both of them thought well and both of them were co-operative with us, and it was very useful to us Hope to see them again with some another topics 😊

Useful classes

Sessions were pretty good

Interesting content.

No remarks, I learnt many things and waiting for next session. Every topic practical was clear and easy to understand.

amazing workshop its truly excellent 🍌 🍌 Iam satisfied with this workshop

It was good experience
